About Thales

Thales (Euronext Paris: HO) is a global leader in advanced technologies within three domains: Defense & Security, Aeronautics & Space, and Digital identity & Security. It develops products and solutions that help make the world safer, greener and more inclusive.

The Group invests close to €4 billion a year in Research & Development, particularly in key areas such as quantum technologies, Edge computing, 6G and cybersecurity.

Thales has 77,000[1] employees in 68 countries. In 2022, the Group generated sales of €17.6 billion.

[1] These figures do not include the Transport business, which is currently being divested.
