CITIES

Aerospace

2 million passengers use Thales **in-flight entertainment and connectivity systems** every day.

Thales Alenia Space provides

50% of the pressurised volume of the **International Space Station**.

2/3 of the world's aircraft rely on Thales equipment to **take off and land**.

With projects such as **FlytX**, Thales is developing **flight path optimisation solutions** to reduce aircraft **CO₂** emissions by 10%.

Defence

50+ countries
rely on Thales
equipment to
protect their
populations and
territorial integrity.

800,000+
Thales tactical radios
in service in **more
than 50 countries**.

Thales systems and
equipment account for
close to **25%** of
the **total value** of the
Rafale combat aircraft.

Thales is deploying **collaborative combat** solutions to
augment the **capabilities** of soldiers, vehicles and
sensors in real time.

Cyber & Digital

30,000+
companies use our
technologies to
manage identities
and secure data.

\$5 trillion
interbank fund transfers
secured every day.

300+
government
programmes for official
identity, biometrics and
law enforcement.

The **acquisition of Imperva** makes Thales one of the **world's top five cybersecurity providers** and affirms the Group's **leadership ambitions** in this market.
