

In Focus: Environment

Thales' environmental policy is detailed in its latest [CSR Integrated Report](#). This fact sheet provides supplemental information on certifications and environmental complaints.

Environmental Management Certifications

Thales holds numerous certifications with regard to the standards and regulations applicable to its various businesses: in terms of Quality and for all its activities, the Group is ISO 9001 certified. In addition, depending on the activities, there are numerous certifications to standards such as ISO 14001 and ISO 45001 for environmental, health & safety aspects at work.
