GENERAL SALES TERMS AND CONDITIONS  
GEMALTO NZ LIMITED

1. GENERAL

1.1 These General Sales Terms and Conditions shall apply to products and services (“Products”) manufactured and/or provided by GEMALTO NZ Limited, a company organized and existing under the laws of New Zealand (“GEMALTO”) to a customer (the “Buyer” - GEMALTO and Buyer are hereafter individually referred to as a “Party” and collectively as the “Parties”). Any proposal in whatsoever form (“Proposal”) made by GEMALTO to the Buyer for its Products shall be governed by these General Sales Terms and Conditions which, unless expressly otherwise agreed in writing, shall prevail in the event of a discrepancy with any other written or oral agreement between GEMALTO and the Buyer.

1.2 The Proposal, including, without limitation, commercial, technical and financial documents sent to the Buyer together with these General Sales Terms and Conditions, shall be valid for a period of thirty (30) days from the date of its issuance, unless extended by GEMALTO by written notice to the Buyer.

1.3 The Buyer’s written acceptance of the Proposal and/or the placement of an order in writing by the Buyer (“Order”) shall be deemed the Buyer’s unconditional and irrevocable agreement to these General Sales Terms and Conditions and the waiver of the Buyer’s own purchase terms and conditions or any other similar document.

1.4 The Proposal may be subject to alteration and withdrawal by written notice of GEMALTO to the Buyer at any time until a contract arising there from (“Contract”) has been executed in writing by the Buyer’s and GEMALTO’s duly empowered representatives.

1.5 If the Buyer accepts the Proposal with additions, modifications, qualifications or assumptions, such acceptance shall be considered a new offer by the Buyer. Any such new offer shall only be binding upon GEMALTO if and to the extent it is accepted in writing by GEMALTO. Whether the Order was preceded or not by a Proposal, the Contract shall not be deemed binding unless the Buyer has received written acceptance of the Order from GEMALTO, both concerning the Order, and where applicable, the additions, modifications, qualifications or assumptions thereto (the “Order Acceptance”). In the event of a discrepancy between the Order and the Order Acceptance, the Order Acceptance shall prevail and determine the terms of the Contract. No Order may be cancelled or modified after the date of issuance of the Order Acceptance, except with the prior written approval of GEMALTO and provided that all costs resulting there from shall be borne by the Buyer.

1.6 The Contract shall consist of:

- an agreement signed by both Parties and/or the Order and its Order Acceptance agreed upon by both Parties, including, as the case may be, any complementary specific and/or special conditions of sale;
- these General Sales Terms and Conditions, which form an integral part of the Contract.

In the event of a discrepancy between the Order Acceptance and these General Sales Terms and Conditions, the Order Acceptance shall prevail and determine the terms of the Contract.

1.7 The Contract constitutes the entire agreement between the Parties with respect to its subject matter and supersedes all prior agreements and understandings (whether oral, in writing or any other form) between the Parties. The Buyer acknowledges that it has not relied on any statement, promise or representation made or given by or on behalf of GEMALTO which is not set out in the Contract.

2. DOCUMENTATION

2.1 The weight, dimensions, size, performance and other specifications relating to the Products provided for in the technical or commercial documentation (the “Documentation”) of GEMALTO are of an indicative nature only and are not contractually binding unless expressly indicated so by GEMALTO in the Order Acceptance and / or provided in the Contract.

2.2 The Documentation provided to the Buyer remains the exclusive property of GEMALTO and may not be communicated, copied or reproduced by the Buyer without the prior written authorization of GEMALTO.

2.3 Subject to the terms of the Contract, the Buyer is granted a non-exclusive, non-transferable and non-assignable right to use the Documentation. The Buyer agrees to limit access to the Documentation to those employees who require such access in order to use the Products. The Buyer will not make available or disclose any information concerning the Documentation to any other person without the prior written consent of GEMALTO. 3. **TERMS OF SALE**

3.1 Unless otherwise expressly stated in the Proposal, the minimum quantity of any Order or Contract shall be of 200 Products (5,000 units in the case of cards) and the minimum price for a batch of any given Product to be delivered under any Order or Contract shall be eight thousand Euros (EUR 8,000).

3.2 Unless otherwise agreed in writing, all sales of the Products between the Parties are deemed concluded "FCA" as further specified in the Order Acceptance and / or the Contract.

3.3 The term “FCA” or any other term used to define the terms of sale provided for in the Contract shall be interpreted in accordance with the INCOTERMS® 2020 published by the International Chamber of Commerce.

3.4 The carrying out of operations at the request of the Buyer by GEMALTO other than those required by the terms of sale established by the Contract shall in no way modify either the type of sale nor the content of the Contract: the request of the Buyer to carry out such operations necessarily implies that GEMALTO will act in the name of and on behalf of the Buyer. Such operations and the resulting costs will be invoiced separately to the Buyer who agrees to pay GEMALTO upon receipt of the relevant invoice. In any case, the carrying out of such operations by GEMALTO shall have a direct link with the Contract.

4. **DELIVERY**

4.1 Except in the event of provisions to the contrary included in the Order Acceptance and / or the Contract or otherwise agreed in writing, the delivery schedule shall be calculated from the last of the following dates:
- Receipt by GEMALTO of all the information and data necessary for the fulfillment of the Order;
- Receipt by GEMALTO of the payment for the Order; or
- Obtaining of any license or other official authorization necessary for the import or export of the Products.

4.2 Prior to delivery, the Products will be preserved, packaged or crated in accordance with GEMALTO's usual standards.

4.3 Products shall be deemed accepted by the Buyer upon delivery to the Buyer and the Products delivered in accordance with an Order are definitively transferred and may not be either returned or exchanged except in the event of a provision to the contrary.

4.4 GEMALTO reserves the right to make partial and/or anticipated deliveries with partial invoicing for the relevant amount. In particular, GEMALTO reserves the right, for any given Order or Contract, to deliver quantities that may differ from the quantity ordered by the Buyer by up to ten percent (10%), more or less and the Buyer undertakes to pay the price corresponding to the quantity of Products effectively delivered by GEMALTO within that tolerance.

4.5 For each Order of cards products, primary colours will be created by GEMALTO and printed on the card products on the basis of the proof (i.e. the initial reproduction of the artwork of the concerned cards sent by GEMALTO to the Buyer in electronic or paper format) signed by the Buyer. All other colours will be created and printed on the basis of the pantone colours chart available in each GEMALTO production site. The difference between the one hand, for the primary colours the proof and for the other colours the pantone colours chart, and on the other hand the colours printed on the card products shall be measured with a spectrophotometer and will not exceed +/- 3.5 in the CIE 94 colorimetric space (2.1.1) D65/10 or D50/2 depending on the card product type.

4.6 Should the delivery of the Products or any part thereof be postponed either at Buyer’s request or for any reason not attributable to GEMALTO, GEMALTO shall be entitled to store the Products or any part thereof at Buyer's risks and expense and to issue the corresponding invoice. The date of storage shall be deemed to be the date of delivery. In such a case, GEMALTO shall issue and sign a warehouse certificate discharging GEMALTO of all liabilities incurred in connection with such storage.

5. **TRANSFER OF RISKS AND TITLE**

5.1 Risks in the Products shall pass to the Buyer at the time of delivery as per the applicable INCOTERM.

5.2 Title to the Products shall vest in the Buyer at the time of delivery as per the applicable INCOTERM, or at the time GEMALTO receives full payment for the Products, whichever is later.

6. **PRICE**

6.1 Unless stated otherwise in the Order Acceptance, the prices for the Products as per the Proposal and Order Acceptance of GEMALTO are fixed and firm for the Contract performance according to the terms and conditions herein contained.

6.2 The prices set forth hereunder are quoted in Euro, which shall be the invoicing and payment currency, unless otherwise agreed by the parties.

6.3 All prices of Products and/or parts thereof to be delivered by GEMALTO under the Contract are to be understood “FCA”, as further specified in the Order Acceptance and/or the Contract according to the INCOTERMS® 2020.

6.4 Without prejudice to the above-mentioned INCOTERMS, all prices hereunder are exclusive of all taxes (including GST/VAT), customs duties, levies and other charges whatsoever which shall be at the exclusive charge of the Buyer. In the event of
applicable withholding taxes, the Buyer shall provide to GEMALTO the proof of tax payment promptly. Both parties shall cooperate to secure a reduction or elimination of such withholding taxes and apply for treaty benefits, if applicable.

7. INVOICING AND PAYMENT

7.1 Unless stated otherwise in the Order Acceptance, the price of the Contract shall be payable in Euros in accordance with the following terms, and a separate invoice in GEMALTO format shall be issued for each shipment.

7.2 Payment shall be made as follows: 100% upon issuance of Order, unless otherwise agreed by the parties.

7.3 Early payment shall not result in the granting of any reduction in the price by GEMALTO.

7.4 In the event Buyer fails to make any payment on the due date then, without prejudice to any other right or remedy available to GEMALTO, GEMALTO may, at its option either, (i) postpone the fulfillment of its own obligations until full payment of the sums due for the principal; (ii) charge Buyer interest on the amount unpaid, calculated on a monthly basis at two percent (2.0%) above the cash rate set by Reserve Bank of Australia on the due date of the payment from the time the payment is due until payment is made in full (a part of a month being treated as a full month for the purpose of calculating interest); (iii) terminate the Contract upon expiry of a seven calendar (7) day written notice of GEMALTO to the Buyer which has remained without effect.

7.5 Time for payment shall be of the essence. In the event of a payment delay by the Buyer, GEMALTO may also require for any new delivery (regardless of the conditions that may have been agreed), payment prior to shipment or suspend or cancel the Contract or any pending Order without incurring any liabilities whatsoever.

7.6 GEMALTO reserves the right to establish, at any time, a limit for outstanding credit in favor of the Buyer, and adapt the applicable payment periods accordingly.

7.7 No discount will be accepted for advance or down payments except in case of prior written consent between the Parties.

7.8 Payments made hereunder are non-refundable. The Buyer shall make all payments due under the Contract in full without any deduction whether by way of set-off, counterclaim, discount, abatement or otherwise, unless the Buyer has a valid court order requiring an amount equal to such deduction to be paid by GEMALTO to the Buyer.

8. ACCEPTANCE TESTING

8.1 If an acceptance testing procedure is provided for in the Contract, an acceptance testing shall be carried out, after completion of manufacture and before delivery of the Products, at the premises of GEMALTO, within a maximum period of fifteen (15) calendar days from the date of issuance of the written notice for acceptance testing sent by GEMALTO. Any acceptance testing will be at the expense of the Buyer and performed in accordance with the GEMALTO standard testing procedures then in force.

8.2 The Buyer shall have the right to attend the acceptance testing subject to written notification to GEMALTO of the names and biodata of its representatives at least three (3) calendar days prior to the above-mentioned anticipated date. Failure of the Buyer to attend shall not delay or prevent the performance of such acceptance testing. GEMALTO may subsequently carry out the acceptance testing, in accordance with Section 8.1, the terms of which will thereafter be deemed completed.

8.3 Upon completion of the acceptance testing, GEMALTO shall issue, sign and submit to the Buyer's representatives a report, which shall be signed by the Buyer no later than five (5) calendar days from its submission. Should the Buyer refuse to sign the said report, the Buyer shall so notify GEMALTO in writing by substantiating the non-conformities within the same five (5) day period of time. Should the Buyer fail to sign the report without notifying GEMALTO as per above, the report signed by GEMALTO shall then have the same value and effect as if both Parties had signed it.

8.4 Non-conformities evidenced during the acceptance testing shall be made good by GEMALTO within a reasonable time. Non-conformities not affecting the functional characteristics of the Products shall not constitute a ground for rejection thereof. Such non-conformities shall be corrected by GEMALTO before delivery.

8.5 Any and all costs incurred pursuant to inspections, and the lodging and travelling expenses of the Buyer's representative shall be borne by the Buyer.

9. WARRANTY

9.1 GEMALTO hereby warrants the Products to be free from defects in materials and workmanship under normal use and service according to all hardware and/or software specifications related to the Product, authored and provided by Gemalto, for a period of twelve (12) months from the date of delivery. The Buyer shall notify GEMALTO of the defects in writing within seven (7) calendar days after the defects are discovered, and the notice shall thoroughly describe the conditions under which the defect has arisen in order to facilitate the diagnostic of the defect. If the Products are defective, the defects of the Products returned by the Buyer will be made good at GEMALTO's expense by repair or replacement at GEMALTO's option. Should a replaced part no longer be available, it will be replaced with a part that most closely matches it. The property of the defective Products shall pass to GEMALTO upon delivery of the replacement. Transportation and insurance costs for defective parts returned to GEMALTO shall be at the Buyer's charge and transportation and insurance costs for parts replaced or repaired by GEMALTO shall be at GEMALTO's charge. For the Products which have been replaced or repaired by GEMALTO hereunder, GEMALTO shall have the same liability as set out in this Section 9.1. The Products are provided “as is” and GEMALTO's warranty hereunder is strictly limited to the repair or replacement of defective parts. The above warranty shall apply only in as much as the Products have been used and maintained in compliance with GEMALTO's instructions for use. This warranty shall not apply to consumable and
extendible items (such as batteries, fuses, etc.) and to defects arising from or connected with Buyer’s failure to operate or maintain the Products in accordance with GEMALTO’s specifications and documentation and generally with standard practices of product operations and shall not be applicable to defects arising from or connected with (i) any combination of the Products with equipment, materiel, products or systems not furnished, not approved or not specifically recommended by GEMALTO (ii) or any modification of the Products performed by others but GEMALTO (iii) or any accident, vandalism, negligence or handling errors causing damage to the Products (iv) or normal wear and tear (v) or defective installation, maintenance or storage (vi) technical maintenance or interventions on the Products other than those deemed necessary by GEMALTO. For Products resold as is and components that GEMALTO purchases from suppliers, GEMALTO’s warranty is strictly limited to the terms granted to GEMALTO by its suppliers.

9.2 GEMALTO does not and shall not warrant that the Products will be resistant to all possible attacks and shall not incur, and disclaims, any liability in this respect. Even if each Product is compliant with current security standards in force on the date of their design, GEMALTO does not represent nor warrant that the Products conform to the state of the art in electronic security mechanisms at the time they were made and the Buyer acknowledges that the resistance of the security mechanisms necessarily evolves according to the state of the art in security and notably under the emergence of new attacks. Under no circumstances, shall GEMALTO be held liable for any third-party actions or claims and, in particular, in case of any successful attack against systems or equipment incorporating the Products. Buyer is deemed to have provided and is responsible for all designs, plans, data (e.g., personalization data), electronic security mechanisms and architecture, and specifications with respect to Products (collectively, “Designs”). If, at Buyer’s request or otherwise, GEMALTO makes suggestions with respect to the Designs, Buyer will be responsible for analysing the same and determining whether or not to incorporate them into the Designs. Buyer represents and warrants that by placing an order for the Products (a) it relies on its own knowledge and judgment in the selection and use of the Products as well as the electronic security mechanism and/or architecture installed in the Products, and (b) it has read, understood and accepted the electronic security mechanisms and/or architecture offered by the Products. GEMALTO shall not be liable in any manner whatsoever with respect to failure of, or attack on the electronic security mechanisms and/or architecture of the Products.

9.3 The warranty in this clause and the rights and remedies of the Buyer hereunder are exclusive and in lieu of and the Buyer hereby expressly waives any other warranties, rights or remedies whether statutory, express or implied arising by law or otherwise with respect to any defects in or failures of the Products. In particular, GEMALTO does not warrant that the Products will be resistant to any and all possible efforts to defeat or disable its functions, including its security mechanisms, and GEMALTO shall not incur, and disclaims, any liability in this respect.

10. LIABILITY

10.1 To the maximum extent permitted by applicable law and with respect to any damages, losses expenses, or costs arising out of or related to the Contract, GEMALTO or any of its directors, employees, affiliates, suppliers, agents or distributors shall not be, in any case whatsoever, liable to the Buyer, its officers, agents, employees, successors and/or assigns for any indirect, special, consequential or incidental damages of whatsoever kind or nature, nor for any loss, cost, damage, loss of revenue, loss of profit, income, revenue, loss of use, production or anticipated savings, loss of business, contracts or commercial opportunities, loss or damage to goodwill or reputation, or any loss or corruption of any data, database or software incurred or suffered by the Buyer and/or any third party resulting from a defect, infringement or alleged infringement, an incident, the failure of the Products or any failure to perform according to the Contract even if GEMALTO has been advised of the possibility of such damages; losses or costs. The Buyer shall defend, indemnify, and hold GEMALTO harmless from and against any claim based on any such damages, losses or costs. Under no circumstances shall GEMALTO be liable to the Buyer for any damages, losses, expenses or costs resulting from or arising out of any illegal and/or fraudulent use of the Products by the Buyer, any third party or the end-user.

Any action against GEMALTO must be brought within no later than twelve (12) months after the cause of action arises.

10.2 The maximum aggregate liability of GEMALTO or its suppliers, agents or distributors arising out of or in connection with this Contract shall not exceed either (i) the price of the Order giving rise to the claim or (ii) the total price actually paid to GEMALTO under the Contract during the six (6) months preceding the event leading to the claim for damages by the Buyer, whichever is smaller. This limitation of liability shall apply regardless of the form of action, whether in contract or in tort (including negligence) or based on a warranty.

10.3 Buyer acknowledges that using or selling Products in devices or systems where malfunction may result in personal injury, death, damage to property or the environment is at its own risk and agrees to indemnify and hold GEMALTO harmless from all loss, expense and damages (including reasonable attorney’s fees) which may be incurred by GEMALTO as a result of any claims or actions resulting from damages caused by the use of the Product in such devices or systems by Buyer or any party to whom the Buyer has directly or indirectly supplied the Product.

11. FORCE MAJEURE

11.1 Neither Party shall be liable or responsible for any failure or any delay to fulfill any of its obligation hereunder, nor be deemed to have defaulted under or breached this Contract, for any failure or delay in fulfilling or performing any term of this Contract (except for any obligations to make payments to the other Party under this Contract) for the duration of such Force Majeure Event and for 90 days thereafter, when and to the extent such failure or delay is caused by or results from a Force Majeure Event.

11.2 The Party experiencing a Force Majeure event shall promptly notify the other Party of the inability to perform its obligations under this Contract resulting from Force Majeure (“Force Majeure Declaration”). If as a result of Force Majeure, the performance by
either Party of its obligations under this Contract is only partially affected, such Party shall nevertheless remain liable for the performance of those obligations not affected by Force Majeure.

11.3 If Force Majeure continues for a period of more than ninety (90) consecutive calendar days from the date of the Force Majeure Declaration and has prevented either of the Parties from performing its obligations in whole or in part during that period, then the other Party shall be entitled to terminate the Contract either in whole or in part forthwith by written notice to said Party. The notice to terminate must specify the termination date, which must be not less than thirty (30) days after the date on which the notice to terminate is given. Once a notice to terminate has been validly given, this Contract will terminate on the termination date set out in the notice. Each Party shall bear its own costs incurred by the Force Majeure.

11.4 "Force Majeure" means acts beyond the affected Party's reasonable control, including, without limitation: acts of God, fire, flood, earthquake, windstorm or other natural disaster, war, threat of or preparation for war, armed conflict, imposition of sanctions, embargo, breaking off of diplomatic relations or similar actions; terrorist attack, civil war, civil commotion or riots, border or customs closure; nuclear, chemical or biological contamination or sonic boom; epidemic or pandemic; voluntary or mandatory compliance with any law (including a failure to grant any license or consent needed or any change in the law or interpretation of the law); explosion or accidental damage; extreme adverse weather conditions, sonic boom and meteor shower; collapse of buildings, failure of plant machinery, machinery, computers or vehicles; any labor dispute, including but not limited to strikes, industrial action or lockouts; non-performance by suppliers or subcontractors (other than by companies in the same group as the party seeking to rely on this clause); and interruption or failure of utility service, including but not limited to electric power, gas or water.

12. EXPORT CONTROL

12.1 Should the Products be subject to export restrictions, the Buyer hereby undertakes to fully comply with all relevant export administration and control laws and regulations so as to ensure that the Products are not, directly or indirectly, exported in violation of applicable laws or imported in violation of the applicable laws. The Buyer shall, at its own expense, ensure that the Products do not sell, lend or deliver to any third party, under any conditions whatsoever, with or without compensation, temporarily or permanently, the Products (including supplies and spares delivered in connection with the after sales support), documentation, operating manuals and information in any way whatsoever related to the Products, without the prior written consent of GEMALTO and/or the relevant competent authorities.

12.2 The Parties acknowledge that the subject matter of the Contract may fall within the scope of the provisions set forth by the Wassenaar Arrangements or any successor, substitute or additional body regulating sensitive technologies. Should performance of the Contract legally be prevented by the regulators of the Wassenaar Arrangements or any such other body, such prevention shall be considered as a case of Force Majeure. GEMALTO shall not be liable to Buyer for any damages resulting from the non-performance of the Contract as a result of the application of any such provisions.

13 INTELLECTUAL PROPERTY, CONFIDENTIALITY AND INFRINGEMENT

13.1 The information and data (the "Information") contained in any document or support of information supplied by GEMALTO under the Proposal or the Contract shall remain GEMALTO's exclusive property along with all intellectual property rights (including but not limited to patent rights, copyrights, trademarks, designs) attached thereto. No right, title or interest is transferred to the Buyer by the Contract in the names, trademarks, trade secrets, patents, pending patents, expertise, copyright and other intellectual property rights relating to the Products. In particular, to the extent that software is embedded in a Product, the sale of such Product shall not constitute the transfer of ownership rights or title in such software to Buyer, but, subject to the provisions set forth herein, shall only imply a non-exclusive and non-transferable license to Buyer under GEMALTO's intellectual property rights incorporated in the Products (i) to use such software in conjunction with and as embedded in the Products as supplied by GEMALTO, and (ii) to use such Product in or in conjunction with products of Buyer.

Except if explicitly otherwise provided in this Section 13, Buyer shall not be granted any license, either directly or indirectly, by implication, estoppel, or otherwise, to any patent, trade secret, copyright and/or any other intellectual property right of GEMALTO. The Buyer shall not make any use of the Information other than for the purpose of the Contract or, as the case may be, installing, operating and/or maintaining the Products. GEMALTO retains and shall retain full ownership of all inventions, designs and processes made prior to or during the course of performance of any Contract resulting therefrom.

13.2 The Buyer shall keep the Information in strict confidence and shall not disclose any of the Information to any other person than the Buyer's employees who need to know such Information for the purposes stated in Section 13.1. Any other disclosure shall be subject to GEMALTO's prior written approval.

13.3 Subject to Section 10, GEMALTO shall indemnify the Buyer against any and all claims, costs, expenses or liability directly arising out of the alleged infringement or infringement of patent, copyright, trade secret rights in the Buyers’ country as a consequence of the use by the Buyer of the Products in accordance with their technical specifications, provided that the Buyer shall promptly notify GEMALTO in writing of any claim, that no claim may be made after a period of three (3) years from the date of delivery of the Product giving rise to the claim, that the Buyer shall provide all information and assistance required by GEMALTO concerning the claim or action, that the Buyer shall give GEMALTO the opportunity to defend and settle under the responsibility of GEMALTO any lawsuit in this respect and that the Buyer shall refrain from making any admission, declaration or arrangement with the third party raising such claims.

The foregoing obligations to indemnify the Buyer shall not apply to GEMALTO for Products for which GEMALTO has not obtained a similar warranty from its supplier(s) and shall not apply either to GEMALTO for any alleged infringement or infringement that is due to or based upon (a) the association or combination of the Products with any other article, software, hardware, apparatus or
device, and/or (b) any alteration or modification of the Products which is not made by GEMALTO or which is based upon a design supplied by the Buyer.

13.4 Should a court or an arbitrator finally establish that there has been a patent infringement or should GEMALTO consider that the Products could be the subject of a claim or suit for infringement, GEMALTO may choose, at its option, either:
- to obtain the right for the Buyer to continue using the Products, and/or
- to substitute equivalent products for the infringing Products, and/or
- to modify infringing Products so as to eliminate the infringement.

13.5 The foregoing states the entire liability and warranty of GEMALTO with respect to the infringement of any patent, copyright, trademark or trade secret or of any intellectual property right by the Products or any part thereof.

13.6 The Buyer on its part warrants that any design and/or instructions furnished or given by it shall not be such as will cause GEMALTO to infringe any intellectual property rights in the performance of the Contract. The Buyer shall, in this respect, hold harmless and protect GEMALTO in the same way as provided under Sections 13.3 and 13.4.

14. DATA PROTECTION (as may be applicable)

14.1 The parties shall comply with all the respective obligations under data protection regulations (including the Privacy Act 1993 (NZ) and European Regulation 2016/679 relating to the processing of Personal Data (GDPR)) that apply in the context of the performance of this Contract.

With respect to the personal data made available by the Buyer to GEMALTO under the Contract, the Buyer shall act as a data controller and GEMALTO shall process personal data only on behalf of the Buyer. Acting as data processor, GEMALTO shall be processing the Buyer personal data according to the Buyer documented instructions as further described in the Orders and for no other purposes than the ones expressly defined and approved by the Buyer, unless required to do so by the laws to which GEMALTO is subject. In such a case, GEMALTO shall inform the Buyer of that legal requirement before processing, unless that law prohibits such information on important grounds of public interest.

GEMALTO shall ensure that it has in place appropriate technical and organisational measures designed to ensure an appropriate level of security of the Buyer personal data in accordance with Article 32 of the GDPR.

If relevant, the Parties mutually agree on a form describing the processing activities under the template provided by GEMALTO.

In addition, GEMALTO shall:
- ensure that persons authorised to carry out processing of Buyer personal data are committed to confidentiality obligations and commit to have its sub-processors comply with the same obligations as the one defined hereunder;
- assist Buyer, at Buyer’s costs, by appropriate technical and organisational measures, insofar as this is possible, considering the nature of the processing activities, for the fulfilment of Buyer’s obligations to respond to requests for exercising the data subjects’ rights laid down in the applicable data protection legislation;
- immediately inform Buyer in writing if it believes that Buyer’s instructions with respect to the processing of Buyer personal data infringes any applicable data protection legislation;
- make available to Buyer, at Buyer’s costs, all information necessary to demonstrate compliance with the obligations set out in Article 28 of the GDPR and, upon two (2) weeks prior advance notice to GEMALTO, allow for and contribute to audits, including inspections, conducted by GEMALTO or another auditor mandated by Buyer;
- considering the nature of the processing activities and the information available to GEMALTO, assist Buyer, at Buyer’s costs, in ensuring compliance with the obligations as set out in Articles 32 to 36 of the GDPR;
- at the end of the Contract, GEMALTO shall, at the choice of Buyer, delete or return to Buyer all Buyer personal data and destroy existing copies unless otherwise required by applicable laws;
- where applicable under the GDPR, not transfer Buyer personal data out of the European Economic Area without Buyer prior express consent; and
- notify Buyer without undue delay after becoming aware of a personal data breach.

Buyer hereby gives a general authorisation to GEMALTO to share Buyer personal data with sub-processors, it being understood that GEMALTO shall inform Buyer of any changes of sub-processors, thereby giving Buyer the opportunity to object to such changes in writing, for legitimate reasons and within thirty (30) calendar days following receipt of GEMALTO’ notice. GEMALTO shall remain fully liable to the Buyer for the performance of the sub-processor’s obligations.

14.2 (To the extent applicable to SIM and eSIM cards) - Retention period: Pursuant to the personal data protection program (detailed on our website: https://www.gemalto.com/companyinfo/privacy-policy), GEMALTO retains the input files for a period of four (4) months and the output file for a period of seven (7) months from the date of delivery of the Files (input and output files) to Buyer via the Allynis Connect highly secure data exchange solution (collectively referred to as the ‘GEMALTO Retention Period’). The retention of the Files is subject to the “Retention Rules for Output and Input Files” available on the GEMALTO web site: https://www.gemalto.com/companyinfo-site/Documents/UICC-production-gemalto-retention-rules.pdf (The “Retention Terms”). 15.2 Unless otherwise agreed in writing between the Parties, the Buyer hereby accepts such charge and shall therefore:

- Be responsible for financing the collection, treatment, recovery, recycling and environmentally sound disposal of (i) all WEEE arising or deriving from the Products and (ii) all WEEE arising or deriving from products already on the market as of August 13, 2005 where such products are to be replaced by the Products and such products are of an equivalent type or are fulfilling the same function as that of the Products;

Non-compliance by the Buyer with the above-mentioned obligations may lead to the application of criminal sanctions, as laid down in the applicable national transposition legislation and/or regulations.

16. ANTICORRUPTION AND INFLUENCE PEDDLING

16.1 The Buyer shall always act in accordance with the national and foreign laws and regulations applicable to the prevention of risks of corruption and influence peddling and in particular French law n° 2016-1691 of 9 December 2016 relating to transparency fight against corruption and modernization of the economy ("Regulations").
